**DR. JULIE
RADLAUER-
DOERFLER**

**A LEADING
EXPERT IN
BEHAVIORAL
HEALTH**

DR. JULIE RADLAUER-DOERFLER

is a leading expert in social connection and social support and uses her experience to create impact within communities, systems, organizations, and individuals. Her approach is collaborative, creative, and curious as she strives to educate utilizing unique avenues including media, stage production, video production, podcasting and writing. She has extensive experience in behavioral health, public health, and organizational development for more than 25 years. She is a national expert in behavioral health, social support, and social connectedness and uses this knowledge to further mental wellness. Her research on structural racism in the behavioral health field has led to the development of a national curriculum designed to create more equitable systems. She is passionate about addressing behavioral health challenges through social support and speaks widely on the topic.

TESTIMONIALS

John Vandenberg
Developer of Wraparound Process

♥♥ I have worked with many consulting and implementation firms, but only two or three were truly exceptional, and Julie Radlauer-Doerfler is on that list! ♥♥

Ute Gazioch
Former Director of Substance Abuse and Mental Health Florida Department of Children and Families

♥♥ She has been flexible, responsive, and a wonderful resource for Florida's statewide Wraparound implementation. ♥♥
